Questionnaire for Survivors of ICE Raids

100 STORIES PROJECT

A PROJECT OF THE NATIONAL NETWORK FOR IMMIGRANT AND REFUGEE RIGHTS

This questionnaire is designed as a tool to collect first-hand accounts of immigrants' and refugees' experiences with a violation of their human rights. All the information entered here will be part of the HURRICANE Project (Human Rights Immigrant Community Action Network) of the National Network for Immigrant and Refugee Rights. It will become part of a nationwide campaign to denounce injustices facing our communities and to further our work toward a world that respects the life and dignity of all people.
